GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

June 8, 2025
Pentecost Sunday

When I was a seminarian almost 20 years ago, a bank vice president taught us etiquette classes. She said, "Gentlemen, please make sure your breath isn't bad. Take some breath mints before you hear confessions, okay?" We nervously laughed because the proximity that makes breath noticeable (whether pleasant or not) can be a bit awkward.

When Jesus breathes on his Apostles (John 20:22), he must have been within inches of at least some of them. This closeness of his breath has a purpose: the purpose of forgiveness of sins. "Whose sins you forgive are forgiven them" (John 20:23). Why in the world would the almost uncomfortable closeness of his breath forgive sins?

In the Bible, breath is spirit or wind. It comes from above and makes that which is below to have identity. To not have a single identity is to be multiple, divided. The word "sin" comes from an ancient word that means "to split" or "render asunder." Sin divides us sinners and the world around us; our spiritual "breath" leaves us and our identity splinters. Only breath from above restores. For example, a shattered vase is rendered whole because the craftsman breathes the spirit of the vase back into it when he repairs it. A human being shattered by sin is made whole by the breath of God, breathed by Jesus through his priests. His breath alone forgives sins. It's always done with his gentle, loving closeness.

WHY DO WE USE INCENSE AT MASS?

The use of incense in religious ceremonies and worship is a practice that predates Christianity, and which is also found in many other religious traditions today. Incense, which is made from resin infused with aromatic spices and oils, is one of those fundamentally human symbols that incorporates more than one of our senses, helping us to reflect on realities that transcend the everyday details of our lives. The use of incense in the Church's liturgy — in the Mass, as well as in devotions to the Eucharist and the Liturgy of the Hours — is inspired by the use of incense in the Jewish tradition. In the writings of the Old Testament, we hear about incense being used in the worship of the temple, and Psalm 141 asks, "Let my prayer be incense before you; my uplifted hands an evening offering" (vs. 2). The image here is that, as the incense gently rises to heaven, our prayers also rise to God as something sweet and pleasant. Another ancient use of incense that has also become part of our Catholic tradition is the idea that when we incense something, it's because it is something special or sacred. This is why the Book of the Gospel is incensed during the Liturgy of the Word and the bread, wine, priest celebrant, and congregation are incensed at the presentation of the gifts. To this, we can also add the incensing of the Blessed Sacrament during eucharistic adoration and benediction, and the body of the deceased at the end of the Mass of the Resurrection (the Funeral Mass). © LPi
